Member, Board of Revenue, and Commissioner of Land Revenue,
Excise and Prohibition.

Reference:-

The District Prohibition Officers have applied for supply of locks for locking the Contraband and lock up rooms and also for locking record boxes and record rooms. It has been ascertained that Police Department are supplying Galvanized locks in 2 sizes and that they are getting them on indent on Director-General of Supplies, New Delhi. Director-General of Supplies undertakes to supply locks against indents valuing Rs. 500/- and over. The reports of the local officers show that about 510 locks in both sizes of the value of Rs. 1,600/- are required. It is not possible to prescribe a scale of supply of locks to Station Houses as the Station Houses are not of standard pattern. They are mostly located in dwelling houses and shops. Therefore the Board proposes to accept for the present the District Prohibition Officers' suggestion regarding the supply.

In the circumstances the Board requests the Government to be pleased to sanction a sum of Rs. 1,600/- for supplying the locks to Station Houses in Excise Prohibition area.
